DEAR CHURCH

If you consider Southside your church home, would you prayerfully consider accepting a tithing challenge? God's Word teaches that God's people should generously give back to Him. The word "tithe" is a mathematical term that means "a tenth." It means giving 10% of your income back to the Lord (See Malachi 3:10). My challenge comes in three steps:

Step 1: Tithe (give 10% of a week's income) on Sunday, April 13. This is Palm Sunday and our Adult & Children's Choir program.

Step 2: After taking that first step, continue to trust God and tithe your income through the entire month of April (that's only 2 more weeks after April 13).

DEAR CHURCH

Step 3: Continue taking steps of faith, and trust God to enable you to continue tithing for three months (April-June).

After three months of faithfulness, tithing will become a regular part of your financial plan.

If you already tithe, consider this an opportunity to review your giving and give an offering over and above your regular tithe on April 13.

In Christ,
Schuyler
